Subject: FCC Class II permissive change for FCC ID: UZCGBC-1000
Applicant: GT Telecom Co., Ltd.

Dear Examiner,

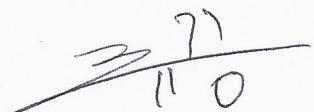

Pursuant to Section 2.1043 of the FCC Rules, We hereby request a Class II permissive change for FCC ID: UZCGBC-1000, originally granted on 09/17/2010

The major change is;

Change #1 Addition of model name as follow:

- Original model : GBC-1000
- Additional model : GBC-2000
Appearance has changed from the original model.
Earphone jack was removed.

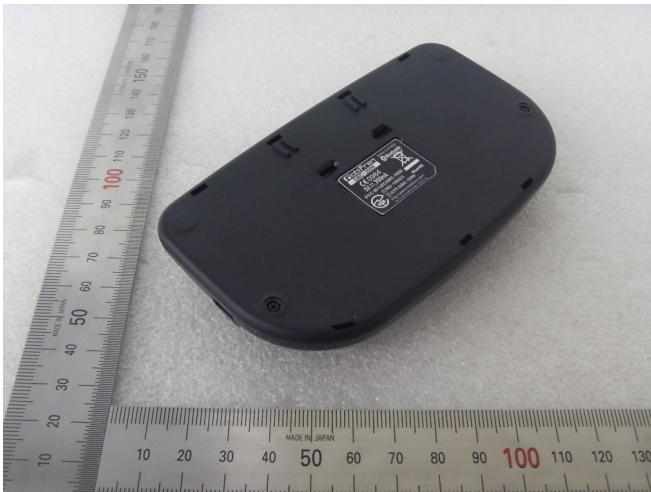

Sincerely,

Hodong Ryu / Senior Engineer

Battery	
Original Model(GBC-1000)	Additional Model(GBC-2000)
 <p>The original model battery is rectangular with a white and silver foil exterior. It features a yellow ribbon cable with red and black wires extending from one end. The top surface has printed text: "AEenergy", "AE513446P8HT", "3.7V 900mAh", and "+Made in China DE". A small Pb symbol with a crossed-out battery icon is also present. It is placed on a metric ruler with markings from 10 to 50 mm.</p>	 <p>The additional model battery is rectangular with a white and silver foil exterior. It has a yellow ribbon cable with red and black wires. The top surface is mostly blank except for the AEenergy logo. It is placed on a metric ruler with markings from 10 to 50 mm.</p>
 <p>This view of the original model shows the same rectangular shape, white/silver exterior, and yellow ribbon cable with red/black wires. It is positioned on a metric ruler with markings from 10 to 50 mm.</p>	 <p>This view of the additional model shows the same rectangular shape, white/silver exterior, and yellow ribbon cable with red/black wires. It is positioned on a metric ruler with markings from 10 to 50 mm.</p>
