### 3. Getting started with your MobiFren

---

MobiFren Bluetooth headphone is easy to use for everyone

#### 1. Pairing to your mobile phone

- \* Before you use MobiFren Bluetooth headphone, you need to pair it with your mobile phone or Bluetooth enabled device.

##### 1) Pairing on first purchasing

- ※ Go to pairing mode with Bluetooth headphone
- ※ Pairing with mobile phone  
(You need to pair with your mobile within 2 minutes.)
- On first purchasing, the earphone enters into pairing mode automatically when the power is on. And blue LED is continuously on.

##### ※ Pairing with mobile phone

###### Way 1. Pairing with MobiFren\_GT App

- ① Install "MobiFren\_GT" from Google play store.
- ② Select the first menu "Pair (Connect) headset", then it goes to Bluetooth setting.
- ③ Activate Bluetooth and search headphone.
- ④ Select the model name from the searched devices, then it pairs.
- ※ Pairing will be easier with MobiFren\_GT application.

###### Way 2. Pairing with mobile phone setting

- ① Activate Bluetooth function in your mobile phone according to phone manual and search earphone model name and select, then, it shows "Pairing".  
(Some mobile phones need pass key(PIN), then, enter 0000.)
- ② If pairing is successful, it shows that "Connected to phone and media audio" and blue LED glitters for 5 times. Now, it's ready to use.

##### 2) Pairing to other device

- ※ Entering into pairing mode with Bluetooth headphone.
- ① Deactivate the Bluetooth function of the connected device if there's connected device.
- ② Press MFB  button for 5 seconds to turn off.
- ③ Press MFB  button for 6 seconds, then, the headset turns on and enters into pairing mode.

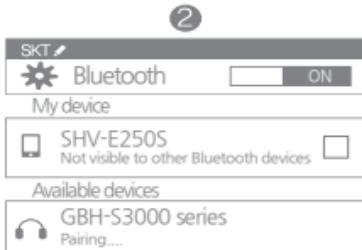

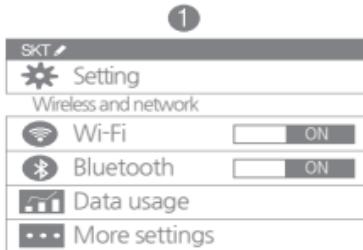

※ Pairing with mobile phone

- ① Follow the pairing procedure of way 1 or way 2 on first purchasing.  
② If the pairing is successful, it shows that "Connected to phone and media audio" and blue LED glitters for 5 times. Now, it's ready to use.

※ When the headset is power off, if you press MFB  for 4 seconds, it goes to pairing mode.

※ Useful tip (3 ways to go Bluetooth setting)

- ① Menu button ► Setting ► Bluetooth on main screen  
② Drag down the screen and select Bluetooth icon  
③ Run MobiFren\_GT app, and select the menu "Pair (Connect) headset"

※ Pairing process may be different from mobile phone makers.  
Please refer to mobile phone's manual.
